XiongSheng Technology & Company Profile

XiongSheng Electrical Appliances Co., Ltd is located in the mini appliances manufacturing base of Cixi, China. Established in 1998, the company is rapidly developing and being a leader in manufacturing heaters and fans. The company presently possess standard workshop of 38,000m², 80 senior professional developing engineers and technicians, 500 employees with high quality.

The company is an enterprise in producing Electrical Fan, Fan heaters, PTC Fan heaters, Convector, Carbon Fiber heaters, Quartz heaters, Halogen heaters, Industrial Fan heaters, Sun Shine heaters and Electric Fan with innovative design, excellent quality, nearly 100 models, which faces to international markets. Such as Germany, Italy, France, Spain, Finland, Russia, Israel, Australia, Argentina, Korea, Middle East and so on. Its daily output is 12,000, and annual output is 2,800,000pcs. We have established a comprehensive quality control system according to ISO9001:2000 standards. Products have gained GS, CE, EMC, TUV, UL, ETL and RoHS certifications. With perfect productive equipments and strong technical power, the company is an enterprise integrating design, development and production as a whole. It is our hope to promote, by joint efforts, both trade and friendship to our mutual benefit, we ensure you a brighter future.
